NARRATIVE:

Garcia has an extensive adult criminal history that began at the age of 20. His convictions include numerous drug charges including sales, possession, and under the influence, cocaine possession, possession of dangerous weapons, contempt of court, vandalism, violating a domestic court order to prevent violence, violation of parole, possession of a controlled substance while armed, felon in possession of a firearm, and false id to a peace officer. He has served multiple state prison terms the longest a 4 year term for use and being under the influence of a controlled substance. Garcia was released from state prison to the supervision of the Los Angeles County Probation Department on May 20, 2012. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in March 2014 after he absconded from post release community supervision (PRCS). Garcia qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for the charge of felon in possession of a firearm is defined as non-serious and non-violent under the California penal code. His prior criminal history, and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
